

EDUCATIONAL BACKGROUND

Shanghai Jiao Tong University

BA Major in Information Engineering

GPA: 3.8/4.3 | Top 15%

Scholarship - Shanghai Jiao Tong University Class B Scholarship

Core courses: Electromagnetic Field, Embedded systems and Interface Technology, Signals and Systems, Fundamentals of Analog Circuits, Mathematical Physics Method in Electronic and Probability and Statistics

Shanghai

August 2022-May 2026

RESEARCH EXPERIENCE

Shanghai Jiao Tong University

Apex Data & Knowledge Management Lab

- Research direction: Educational Large Language Model

- Job content: In-depth participation in the research and development of Educational Large Language Model, assisting in writing literature reviews and industry standards, assisting in the execution of experimental tasks, and assisting in paper writing

- Research results: Published paper "CodeApex: A Bilingual Programming Evaluation Benchmark for Large Language Models"

Shanghai, China

May 2023 - September 2024

Shanghai Jiao Tong University

Cooperative Medianet Innovation Center

- Research direction: Scene simulation in autonomous driving

- Job content: Assist in the execution of experimental tasks, and participate in group discussions in depth

Shanghai, China

September 2024 - Now

CAMPUS WORK EXPERIENCE

Shanghai Jiao Tong University

Organization Department of Youth League Committee of SEIEE

Director of Academic Research Center

- Responsible for assisting the director in managing the organization department

- Responsible for writing, editing and publishing the organization department's monthly report

- Responsible for organizing, planning and holding academic lectures in the Academic Research Center

Shanghai, China

November 2023 - Now

Shanghai Jiao Tong University

Organization Department of Youth League Committee of SEIEE

Officer of Academic Research Center

- Organized, planned and held many academic lectures.

- Participate in statistical work on older college students.

- Won the honorary title of "Excellent Service" by the Organization Department of the Youth League Committee.

Shanghai, China

April 2024 - October 2023

HONORS AND AWARDS

- "Excellent Officer" by the Organization Department of the Youth League Committee of Shanghai Jiao Tong University

- "Outstanding Student" of Shanghai Jiao Tong University School of Electronic Information and Electrical Engineering

- Third Prize in the Shanghai Division of the National College Student Mathematical Modeling Contest

- Champion of the "Freshman Cup" Debate Competition of Shanghai Jiao Tong University School of Electronic Information and Electrical Engineering

- "Honorable Mention" of Chengdu Model United Nations Conference

Skills

Technical: Python, C++, PyTorch, Matlab, PR, PS

Language: Mandarin(native), English(TOEFL:91)

Hobbies: Basketball, Ski, Film making
